Just wanted to everyone know that my father Tex Dean passed away suddenly on October 27, 2010. My mom and I are trying to continue my dad's love for the Henry J's, by doing this were still selling parts, and we've got 27 Henry J's sitting here on our property. We want to take the time to let everyone know that we appreciate your business over the years. Although my dad's gone he will always remain in our hearts and in a lot of the parts that he's sold all over the USA.

Parts listed are sold R.O.S. & As is here & only on availability. First come =First served.
